

THE WORLD HOSPITAL

Making a way for the willing.

You are cordially invited to a

Ribbon Cutting Ceremony to celebrate the progress of The First World Hospital In the Northwest Province, Cameroon

Date: January 24, 2009 Time: 10 a.m. – 5 p.m.

Location: Mile One-up Station Behind Pastoral Center (*Signs will be posted*)

The World Hospital is a modern health care facility being created by members of the local community to help improve the quality of our lives for generations to come. Come out to help us celebrate this achievement and to plan for the future.

Features of this event will include:

- Each chief will be asked to make a speech about their village's need for health care improvements.
- Performances by the best dancers for participating villages. Opportunities for individuals and families to tell their stories to the press.
- Opportunities for individuals and families to share their health care needs with members of the Board of Directors of The World Hospital.
- Speeches by TWH founder, Dr. Marinus Ndikum, and Chariman, Sebastine Chimafor.
- We will introduce telemedicine and modern diagnostic technology like CT Scanners, ultrasound machines, mamagraphy machines, fluoroscopy machines, and X-ray units. We will also discuss screening for breast cancer and prostate cancer.

If you have ever lost a loved one because they could not obtain adequate care from the hospital, be sure to attend this event. Topics to be discussed may include: maternal and child mortality (women and babies dying when women give birth), AIDS/HIV, difficulty of traveling abroad for basic health care.

Please note: Traditional or casual clothing may be worn.
